

About FHPW Membership

The way to become a member of the Federation of Houston Professional Women is to be a member of one of our Member Organizations. Not sure if your organization is a member? Or are you looking to join a professional women's organization in the Greater Houston area? Then go to our Member Organizations page to see our current list of member organizations. Don't see your organization listed? Then see the information below to find out how YOUR organization can become part of the Federation.

Membership renewals (invoices) are sent out late in the year (December) to the contact person we have on record for your organization. To verify we have correct information on your organization please see the [Member Organizations](#) page. If your organization does not receive the renewal information, or the contact person shown is incorrect, go to the Member Organizations page and complete the form on the right side of the page to make the correction to the contact info. If you have questions, you can contact the FHPW [Membership Director](#) for more information. Membership renewals are due by January 31. If not paid by this date, a late fee will be incurred. To pay your renewal by credit card, you can go [here](#).
